

Father's Day isn't easy for those who have lost a child to abortion ...

"Fathers and mothers of aborted children ... struggle with how to grieve the loss of a person who 'disappeared' from their lives."

—Wayne Brauning, M. Div., D. Min.

"Meds and massive amounts of therapy helped. But not completely. Something was still missing."

"There is a myth in society that says men don't care. ... that men are untouched by the experience. ... My experience of having listened to men's stories over the years is that the scenarios are much more complicated."

But if you give Him the broken pieces, God can make all things new.

"The Lord says: Cease your cries of mourning. Wipe the tears from your eyes. The sorrow you have shown shall have its reward. There is hope for your future."

— *Jeremiah 31: 16-17*

"The Lord is close to the broken-hearted and saves those who are crushed in spirit."

— *Psalms 34:18*
